あらすじ

……

THE ANCESTORS OF THE TOHNO CLAN MIXED THEIR BLOOD WITH SOMETHING THAT WASN'T HUMAN

THAT'S RIGHT, IT'S THEIR "BLOOD"...

BLOOD

IF NOT FOR THAT BLOOD, WE COULD LIVE NORMAL LIVES AS HUMANS.

BUT, THOSE OF US WITH THAT BLOOD ARE BLESSED WITH UNCANNY POWER.

POWER ...

WE, THEIR DESCENDENTS, ALSO CARRY THAN INHUMAN BLOOD IN OUR VEINS.

THE POWER TO STEAL OTHER PEOPLE'S ENERGY.

LIKE INDESTRUCTABLE BODIES.

DIFFERENT CLAN MEMBERS HAD DIFFERENT POWERS.

THE POWER TO MOVE FAR-AWAY OBJECTS.

THEY ALL LOST THEIR SENSE OF SELF AND BECAME MONSTERS.

HUH?

BUT, THOSE WITH STRONG INHUMAN BLOOD COULDN'T LIVE AS NORMAL HUMANS.

THE POWER

IS MIXED IN WITH MY BLOOD TOO

AND ONCE THAT STARTS, THERE'S NO STOPPING IT

THOSE WITH PARTICULARLY STRONG TOHNO BLOOD ARE PRACTICALLY DEMONS.

BUT I WANT YOU TO PROMISE, WHEN THAT HAPPENS TO ME.

SO, EVEN YOU AND I WILL BECOME MONSTERS

REAL MONSTERS.

WELL, IT'S AUTOMATIC FOR YOU, SO I GUESS I DON'T HAVE TO WORRY

YOU'LL ..

Applying to the subject the 42nd procedure...

She regene-rated

Gah.. Ah..

No

Next is the 43rd procedure

...Removing the brain, and the eyes and all major organs from the subject's body.

IT HURTS!

IT HURTS!

IT HURTS!

....That is because I drank my father's blood.... And killed him

t to like

STOP IT!

The 68th procedure: to investigate by burning the subject.

And I killed her with joy in my heart.

Because I also killed my mother...

The 88th procedure: to investigate by decaying the subject's body..

Because everyone was killed by me.

The same for my brother, and my sister, and the children and the grown ups and the uncles and the aunts and everyone else

The 405th procedure: To investigate by drowning the subject.

So this should be my punishment

The 614th procedure: To investigate by removing the subject's bone marrow and serperating her consciousness from the body.

Its only natural that I would be forulted so

This allows him to keep reincarnating himself. doesn't it?

After dying. "Serpent of will send his "Self" over next soul.

This is odd i theory.

Of course. that means that the subject is already dead.

When the subject was killed by the White Princess. the "Serpent" has reincarnated himself into a new body.

Heh heh. It would be better to not use the word "miracle" while we are in the Church.

But because of some miracle. the subject's body revived itself after three years.

If this doesn't deserve to be called a miracle. then what does?

...Just what is going on...

Inter-esting

!!

The "Serpent" has clearly left the subject's body, yet she is still undeniably the "Serpent". That is the miracle.

The revived subject's soul is obviously hers, but her soul still bears the characteristics of the "Serpent"

No, the miracle really starts here.

In that case, please put her temporarily under my charge.

Wha...

Cap... Captain !?

You have since left the "Cup" of the World. That is what is happening.

In other words ...

Because no matter how many inconsistencies take place in this world, the world would naturally try to resolve that inconsistency.

You are you. But at the same time, you are also the "Serpent".

The "World" would thus revert your time back to its original state.

But the "Serpent" still exists on this world...

In this case, lets say you get killed.

So long as the "Serpent" exists on this world, your time will not awaken, let alone move.

And you are also the "Serpent". The soul's memory —— in other words you who are the "Serpent", remembers that it is still alive.

What will you do?

Now then.

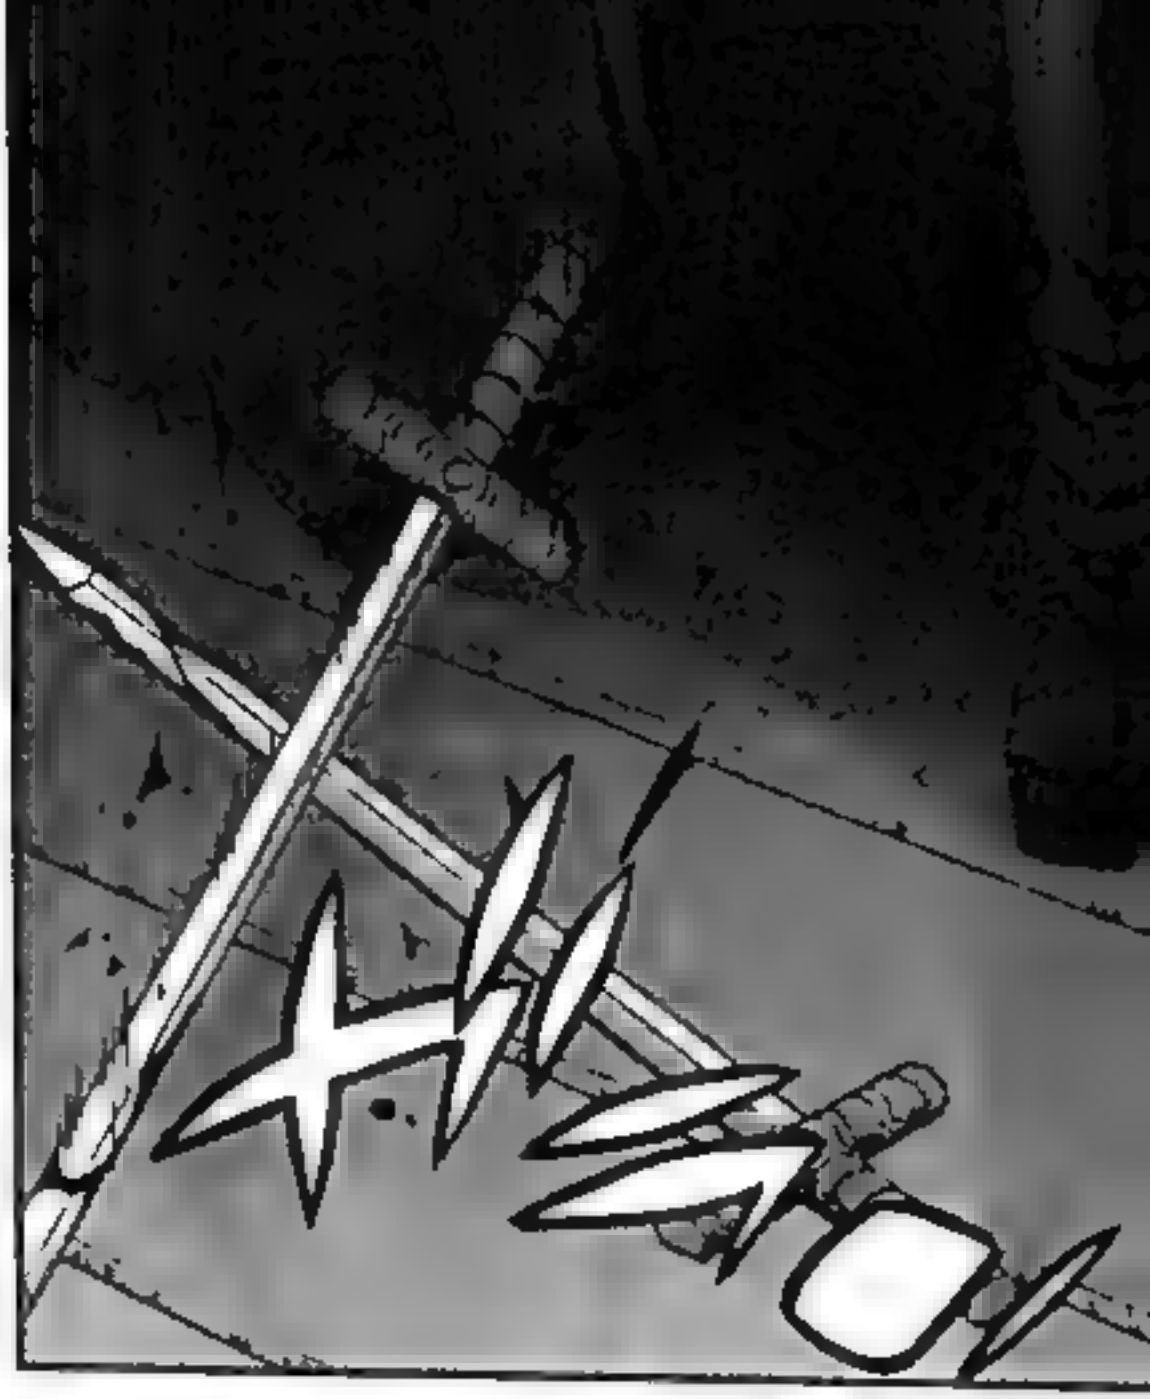
What would you, who has inherited the knowledge of the Dark Apostle Michael Roa Valdamiong, now do?

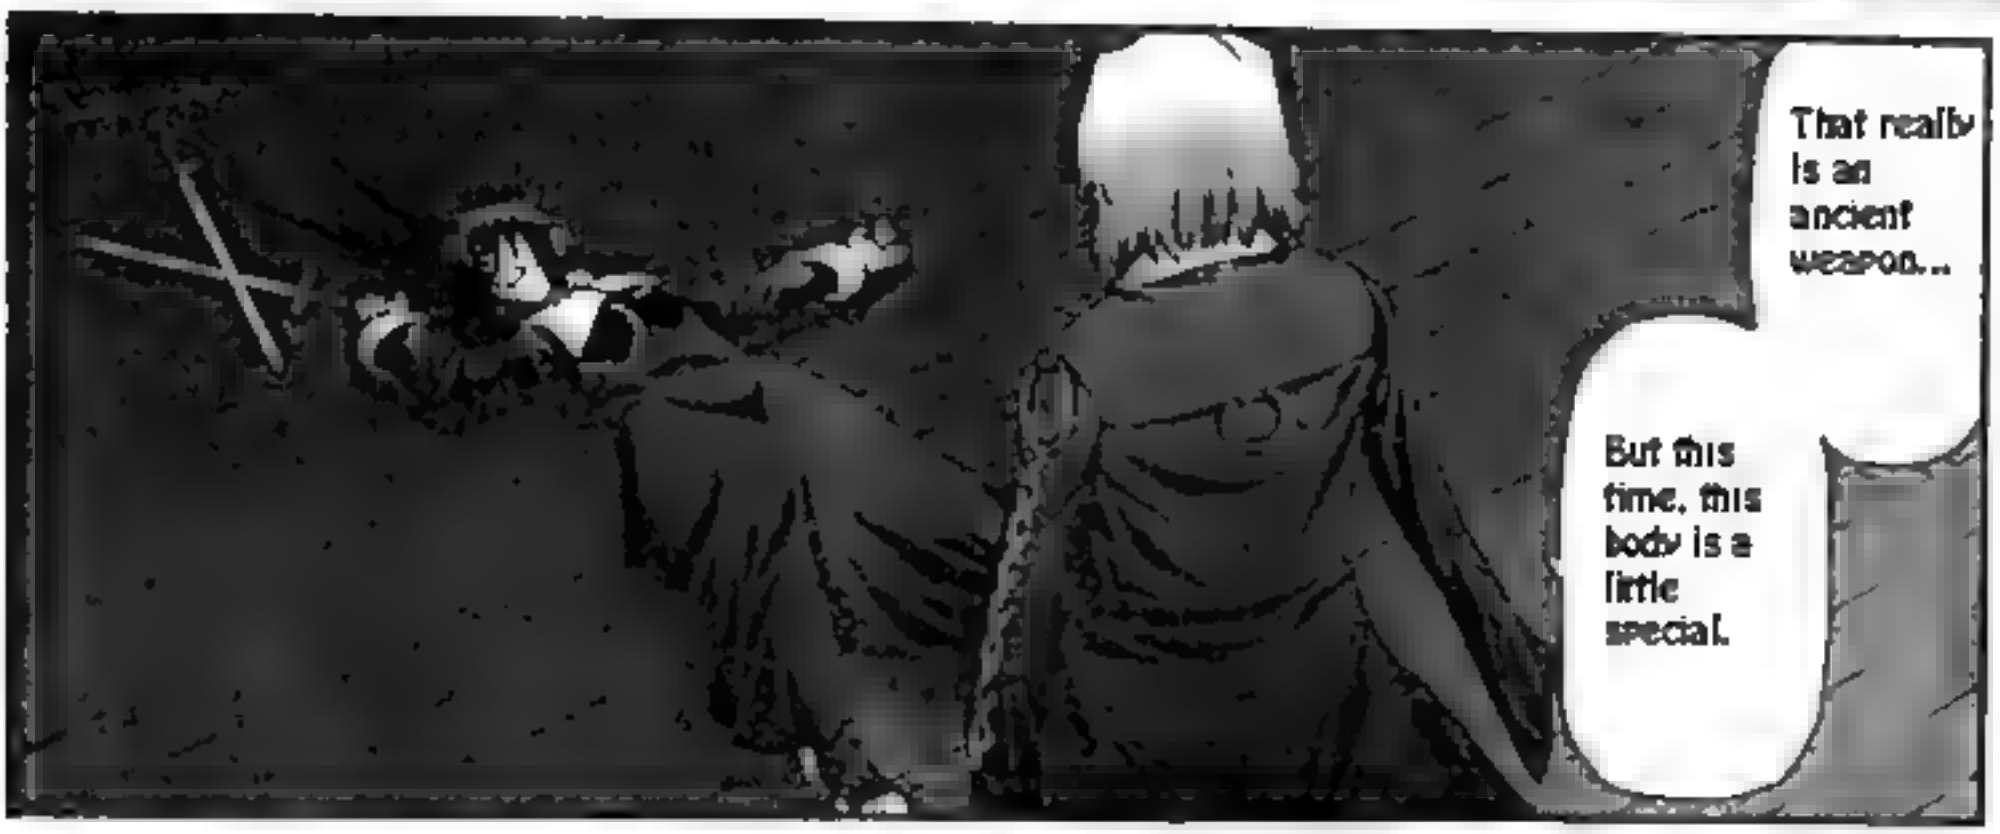
Not being able to age, nor being able to die...

.....

Now, make your choice, nameless one.

Black Keys, huh?





That really is an ancient weapon...
But this time, this body is a little special.

To wish to defeat me without even upgrading your weapons... I am seriously getting underestima-

After being hit by an attack once, this body will put up "defenses". That attack is no longer as effective the next time round.

-ted

Ha

Ha

Ha

If mine is a hand, then yours would be a leg, no?

Eh...

.....

Just what is going on with you?

You must definitely died back then, didn't you?

...Time reversal...

No, that is not it...

Even now I cannot feel the flow of any magic circuits...

That regeneration is not a result of magical power, is it?

...

Is that so?

You are my reincarnated existance...

...you might just be my "daughter"

Now if you think about it ...

If we think about it this way, I can understand why this body feels the same as that of the last time.

But being your "Father", I really do feel hurt.

SFX ZING
SFX ZING
HUH?
SOMETHING FROM THAT DIRECTION...
IS...

SFX SHUTTER

YOU CAME ...
SHIKI ...

WELL IT'S A PROMISE, SO OF COURSE YOU'D COME
NO, WELL ...
ANY-WAY
I'VE BEEN WAITING FOR YOU FOR A LONG TIME NOW
WHA?
HUH?
I'VE BEEN HIDING FROM OUR MEETING PLACE, HOPING THAT YOU'D COME AND FIND ME
BUT YOU DIDN'T NOTICE IT AT ALL
ANY LONGER AND I THINK I WOULD HAVE GONE HOME
SORRY ABOUT THAT
BUT, I...
WANT TO HONESTLY SAY THIS. I THOUGHT WE WOULDN'T MEET AGAIN
.....

I'M SAYING THAT WE SHOULDN'T MEET EACH OTHER SO NOTHING LIKE THAT CAN HAPPEN AGAIN
NO... THAT'S WRONG
YOU WERE THINKING OF ONLY THAT THIS WHOLE TIME?
WHAT ?
DIDN'T I TELL YOU?
I'VE ALREADY FORGOTTEN ABOUT IT
NO, SHIKI
YOU WEREN'T IN CONTROL OF YOUR OWN BODY... SO FORGET ABOUT THE WHOLE THING
I'VE SAID IT BEFORE... MY MAGIC EYES ARE AT FAULT
BUT...
... SORRY

I WAS THINKING THAT IF WE MET, HOW WOULD I APOLOGIZE TO YOU
HOW TO SAY THOSE WORDS
THAT'S WRONG

I WAS THINKING ABOUT YOU THE WHOLE TIME

THERE'S NO WAY I COULD FORGET ABOUT YOU
WILL SHIKI'S FEELINGS REACH ARCUEID?
